

FORT BEND CONNECTION

A multimedia educational offering of the Fort Bend History Association

More details at fbhistory.org/fort-bend-connection **NEW!**

Teachers: We know things look a little different in the classroom this year and we want to help! Our team has launched the **Fort Bend Connection** project to bring Texas and Fort Bend County history to your classroom this year. The plan has multiple components tailored to your curriculum, including free educational videos and worksheets aligned with TEKS objectives and rentable boxes that include a number of different hands-on historical activities.
