ABOUT OUR RODEO:

For more than 100 years, Black cowboys played an essential role in Fort Bend County ranching operations. At the George Ranch specifically, four generations of Black cowboys worked alongside four generations of the George family, leaving behind a rich legacy of Black cowboy heritage that is unique to this part of Texas. This February, the 4th annual **Black Cowboy Legacy Rodeo** will spotlight this amazing history.

Black Cowboys were an essential part of the ranching story at the George Ranch and in Fort Bend County from the 1830s to the 1930s. The Rodeo's mission is to pay tribute to these Cowboys while introducing them to new generations of county residents.

This Fun-Filled Family Day will feature a Prize Pot Rodeo and Slack events like Bull Riding, Steer Wrestling, Team Roping, Barrel Racing, and Mutton Busting. Between arena events, we will use commentator announcements to educate the audience about the origins of Cowboys in Texas. This community event will raise funds to support the **Educational Programs** at the Fort Bend History Association while teaching about the instrumental role that Black Cowboys played in the county's success.

To reach a broader audience who may seek activities outside the arena, this full-day event will include a variety of food and marketplace vendors as well as entertainment and activities for Younger participants.

In 2022, more than 900 people attended the family-friendly, community event, which includes a rodeo with prize pots, slack events, mutton-busting, a variety of food and marketplace vendors, entertainment and other fun activities for children.
