July 2020

July 21 meeting canceled

Due to the spike in cases in our region, the FBAS officers have decided to delay the re-start of our face-to-face meetings. We apologize, but obviously safety comes first.

Please look for our August newsletter which will hopefully announce our next face-to-face meeting (as well as the social distancing precautions with which we'll ask members to comply).

Also, continue to follow the work of the Society on Facebook and on our YouTube channel. Thanks, stay safe, and see you soon.

Jay Roussel, FBAS President
